Case No. [14-cv-04651-WHO](#)

**ORDER DENYING STIPULATION AND
SUSPENDING DISCOVERY**

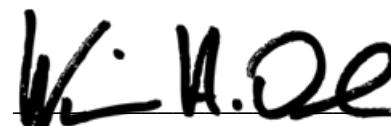

Re: Dkt. No. 44

12
13 Pending before the Court is Windsor's motion for summary judgment, which was argued
14 on August 12, 2015. Ordinarily, the Court's order on that motion would have issued by now. But
15 because of the real party in interest issue raised in Windsor's reply brief, which the parties and the
16 Court have been addressing, the order has not issued. *See* Dkt. Nos. 49-53, 55-58.

17 Also pending is the parties' Stipulation to extend discovery dates. Dkt. No. 44. It makes
18 no sense to continue discovery until the order on the motion for summary judgment has issued, so
19 discovery is STAYED pending that order, and the Stipulation is DENIED. A week after the order
20 on the summary judgment motion has issued, the Court will hold a telephonic Case Management
21 Conference to discuss the trial date and all scheduling issues related to it.

IT IS SO ORDERED.
